

## ○ 600m, 1000/2000 & 3000m Winch

### 600m winch

Of similar basic construction to the 500m winch, the 600m winch is mains/generator powered.

### 1000/2000m winch

The standard unit for truck-mounted operations in deep boreholes, the 2000m winch includes an integral depth wheel and an automatic level wind.

### 3000m winch

A heavy-duty electric draw-works designed for deeper hole and oil/gas investigations. *Please note the 2000m depth limitation for standard RG slimhole tools.*
